

be considered improper. The manufacturer declines all liability for any damage to objects or injury to persons owing to improper or incorrect use.

All maintenance interventions that require precise technical skill or particular ability must be performed exclusively by qualified staff.

In order to guarantee hygiene and protect the foodstuffs from contamination, the elements that come into direct or in direct contact with the foodstuffs must be cleaned very well along with the surrounding areas. These operations must only be performed using detergents that can be

used with foodstuffs, avoiding inflammable products or those that contain substances that are harmful to personal health.

At the end of use, ensure that the burners are switched off, with the control knobs deactivated and the connection lines disconnected.

In the case of prolonged inactivity, as well as disconnecting all the supply lines, it is necessary to accurately clean all internal and external parts of the appliance.

4. REGULATIONS AND GENERAL INSTRUCTIONS

4.1. General Information

This manual has been designed by the manufacturer to provide the necessary information to those who are authorised to interact with the appliance.

It is advisable for the receivers of the information to read it carefully and apply it strictly.

Reading the information contained in this document will allow the user to prevent risks to personal health and safety.

Keep this manual for the entire operating life of the appliance in a place which is well-known and easily accessible, so that it is always available when its consultation becomes necessary.

Particular symbols have been used to highlight some parts of the text that are very important or to indicate some important specifications. Their meanings are given below.

! Indicates important information regarding safety. Behave appropriately so as not to risk the health and safety of persons or cause damage.

Indicates particularly important technical information that must not be ignored.

4.2. Warranty

MVP Group Corporation (AXIS) hereby warrants all new pasta cookers bearing the name "AXIS" and installed within Canada or the United States of America to be free from defects in material or workmanship, under normal and regular usage and operation, for a period of one (1) year

following the date of original installation (unless otherwise specified) but in no event can exceed eighteen (18) months from the date of shipment from the factory.
