

KOOL-IT — Manufacturer's Warranty

Model KOM-48XBK | Open Air Merchandiser

Coverage

One (1) year parts and labor from the date of original installation, plus an additional four (4) years (60 months total) of compressor-only coverage.

What's Covered

Defects in material or workmanship under normal and regular commercial use, for units installed in Canada. The first 12 months include parts and labor; the additional 48 months cover the compressor part only (labor not included).
